VARA-VROOM (AD)

Scene: 1

VARA-VOOM PLAYS

READER #1

(DEEP AD VOICE)

Tired of being over-looked by girls you haven't seen since high school? Want to get the same car as Thabo for 5 times the price? Nothing screams I'm 10 years away from a mid-life crises like the new and improved V6 Vara-Voom.

(INFORMERCIAL VOICE)

Side effects include fake friends, meaningless promiscuity, delusions of grandeur and an annual decrease in value.

(DEEP AD VOICE)

But how will the world know you're one bribe away from a tender without the four pipes?

(SLOGAN VOICE)

Vara-Voom, not the best but the hoes love it.
